Barristers, Solicitors & Notary Publics

Conveniently situated at the Bayers Road Centre, Crowe Dillon Robinson ("CDR") is easily accessible by road or public transit from all parts of the Halifax Region. Our offices can be found on the second floor of 7075 Bayers Road, which is at the corner of Bayers Road and Desmond Avenue, diagonally across from Halifax Fire Station # 5. The building is designated as Professional Business Campus 1 (See Map).

The main entrance door, leading upstairs to our offices, is located directly below the civic number "7075", which is prominently displayed on the front of the building. (See Photo 1)

If you have mobility issues, our elevator is located at end of the office building about 15 yards to the right (South East) of our main entrance door. (See Photo 1 & 2). If you need any assistance, please phone our Office at 902-453-1732.

There is parking available at the front of our office building, and also short (2 hr) and day long parking in the large side lot across from the elevator entrance (see Photo 3). Additionally, there is covered parking adjacent to the Blue Ocean Building, in the multi-storage garage as shown in the map and visible from the side lot.
